## Work with us

The Social Wellbeing Agency is a small government agency with a big mission – to do what works for better lives. We're specialised, nimble and innovative. This allows us to get actionable insights to decision makers, and ensure that real people – whānau and communities – are involved in and benefit from the work we do.

Our values are important to us – they guide how we show up at work. We've achieved the Domestic Violence Free tick, we embrace our diverse workforce and culture, and we support flexible working arrangements.

Our people are our centre. They're curious, agile and hardworking, and instinctively care about the wellbeing of others. If that reads like you – come and join us! Click through to the [MSD jobs portal](#) for current vacancies.
